Dear Mr Batten

PENALTY CHARGE NOTICE: ZQ08920057
ISSUED ON: 27/03/2023
VEHICLE REGISTRATION NUMBER: LM58VWD

NOTICE OF ACCEPTANCE OF REPRESENTATIONS

I refer to the representations made by you in connection with the issue of the above Penalty Charge Notice.

Please note we are only able to deal with cases individually therefore you will receive a separate response regarding each Penalty Charge Notice you have mentioned.

Your representations have been considered in accordance with the requirements of the Traffic Management Act 2004, including all the circumstances relating to the issue of the Penalty Charge Notice.

You were parked without making payment of the Parking charge, therefore the Penalty Charge Notice has been served correctly. The Civil Enforcement Officer (CEO) did not see a Pay & Display ticket that was both valid and clearly displayed, and the CEO's handheld computer showed no valid period bought by phone or online.

As you were unaware of the issuing of this Penalty Charge Notice, I am pleased to inform you that the Penalty Charge Notice has been cancelled on this occasion.

Please be aware that every Penalty Charge Notice is considered separately, and this decision does not affect the outcome of any other Penalty Charge Notices issued. Future Penalty Charge Notices for the same contravention may not be waived by the Council.

Yours sincerely

Parking Administration
